

Coolroom Seals

Product Data Sheet

Derby Rubber "two fingered" cool room seals have a strong resistance to a wide range of fats and oils found in the agricultural and food industries. Seals are manufactured from Derby Rubber's compounded low friction material. All seals are available in black and grey (non-marking compound).

Drawing	Prefix	Description
	CRS20B6.5	Actual size 6.5m lengths
	CRS13B25	Actual size 25m lengths
	CRS35B6.0	Actual size 6.0m lengths
	P65-11198	Actual size 6.5m lengths
